indicates that the Power of Attorney filed on September 1, 2005 has not been accepted because the signature of Shoshana Bamdad Shendelman, a co-inventor in this application, has been omitted.

Applicants submit that one of the two (2) inventors, Shoshana Bamdad Shendelman, has refused to sign the declaration. Accordingly, a petition has been filed with the Patent Office on December 2, 2004 and the petition has been granted as indicated in the enclosed copy of the letter dated March 25, 2005, which has been received from the Office of Petitions. Therefore, it is believed that the signature of Shoshana Bamdad Shendelman is not required in the Revocation and Power of Attorney filed September 1, 2005.

Accordingly, although the signature of Shoshana Bamdad Shendelman is omitted in the enclosed copy of the Revocation and Power of Attorney, please enter the Power of Attorney in connection with the above-identified application and send all future communications regarding this application to the new attorney's address shown below.

In addition to a copy of the Revocation and Power of Attorney originally filed on September 1, 2005, copies of the following documents are also enclosed for reference: Notice regarding Power of Attorney dated September 16, 2005, Granted Petition letter from the Office of Petitions dated March 25, 2005, and Declaration for Patent Application, filed November 29, 2004.

The Commissioner is authorized to charge Deposit Account 502486 for any fees due to secure entry of this amendment to the extent necessary.
